

SWEDISH STROKE SUPPORT GROUP MEETING:

Pushing Boundaries

Paralysis Therapy Center

Michael and Kristen from Pushing Boundaries will be joining us to talk about the therapy programs they offer to maximize function, strength, and independence for those with paralysis and neurological movement disorders.

For stroke survivors, caregivers of stroke survivors and people with stroke risk factors.

Monday, April 18th, 2021
6:00 - 7:00 p.m. PST

This is a Microsoft Teams meeting. It is being held in place of the in-person Swedish Stroke Support Group meeting—all are welcome to attend!

To RSVP, or for questions, please email the Swedish Stroke Program at: StrokeProgram@Swedish.org.
